

NEW!

DD-10 DROP DOWN REACTIVE TARGET

Simple target attachment in seconds.

Mount DD-10 target anywhere.

Collapsing Target

DD-10 TARGET FEATURES

- A man portable, self-contained *ceiling mounted* stand alone collapsible 3D target.
- Wherever floor space is at a premium, DD-10 targets can be mounted in ceilings, on side walls, door frames, window frames and parapets.
- Lifelike 3D human targets collapse upon being hit. See video on website.
- Built in programmable hit counting system, featuring ATS' exclusive thin film hit sensing system.
- Realistic target response from Air Soft, Simunitions, low velocity and high velocity ammunition.
- Compact target control module with built in power supply. Optional 120 VAC power connection available.
- No external remote controls required for operation.
- Very low cost COTS product. Under GSA contract GS-02F-0404D.

Programmable control module assembly with DC power supply. Optional AC power connection available.

PT-51 "DUMMY DUMPER" REACTIVE TARGET

PT-51 Target With
Self-Contained DC Power Source

Built in programmable
hit counting system.
